Università degli Studi di Napoli Federico II
The Developer Academy a partnership with Apple

Financial Intervention granted also by POR Campania FSE 2014-2020 http://developeracademy.unina.it

ANNEX A

Introduction

The vast ocean awaits. The stormy waters and the infinite blue skies. The tropical nights and the freezing mornings. The rewarding hauls and the menacing pirates…
Before sailing away to conquer the seven seas come dock at the Pier @Protopisani to fine-tune your ships and stock-up

A.1
Education Path

The Academy organizes, for the academic year 2018/2019, an education path:

The Apple Developer Academy Alumni: 50

- Expected start date of courses: September 2018
- Expected end date of courses: June 2019

A.2
Application form and registration procedure

The application form must be submitted within and no later than 6 July 2018 at 1 p.m. (GMT + 1), exclusively on-line through the link: https://airtable.com/shr5uBhGeqsC05aOZ

The on-line registration is possible as of the publication of the notice and closes mandatorily, and under penalty of exclusion from the selection procedure, at 12.00 a.m. (GMT + 1) of the 31 May 2017. In order to be admitted to the selection each applicant will have to own an email address. The on-line application procedure is based on the filling of an on-line application form as depicted below.

1. Connect to https://airtable.com/shr5uBhGeqsC05aOZ
2. Once provided with the input form, the applicant must:

   Fill in the requested data;
   a. Team Members
   b. contact email
   c. Notes
   d. Specify the track you are applying for
   e. Motivational Letter
   f. Personal Project
   g. Click on the "Submit" button.

Failure to comply to the aforementioned provisions will prevent admission to the selection and, in any case, the exclusion from the procedure.

A.3
Selection procedure

In order to be eligible for The Pier Alumni program applicants must hold a **high school diploma** (or an equivalent qualification) and **must have attended the Developer Academy in Naples during academic year 2017/2018**.

The selection will be based on the below criteria:

- Originality: strength of the proposal / motivation.
- Balance of team skills: level of connection with personal interests / background.
- Consistency with the call: consistency with call requirements.
- Clarity of goals / objectives: general quality of writing / argumentation.

The working group of the Apple Developer Academy will assign the score from 1 to 5 to each criteria, plus a mo a multiplier of 1.5 on the result of the total score on the personal project to reward the soundness of the projects submitted.

The working group decides to assign a minimum threshold of 20 points to enter the final ranking.

A.3 (Publication of the procedural acts)

The merit ranking lists drawn up only on the basis of the scores obtained, will be published on the August 1st 2018 and the applicants ha

This notice of selection and all documents attached will be published exclusively by on-line publication on the website www.developeracademy.unina.it.

The applicants have to confirm their individual interest for the Pier program no later than August 31st 2018. The failure to confirm by this date will be consider as a withdrawl
